

International Development

Leadership and Management Solutions

ABOUT

I'm Kelly Koch, a skilled leader, hands-on program director, and grant administrator focusing on providing sustainable turnaround solutions that reach optimum performance.

In the past 25+ years, I successfully helped international development organizations by identifying and setting up the structure, people and systems necessary to enhance flow, efficiency and grant compliance while reducing gaps in project delivery & internal communications.

Executive, Program & Finance

SE Asia, S Asia, Europe, Central Asia

Government, Funders, Head Office

& Compliance

Project Launch
& Execution

PROJECT LAUNCH & EXECUTION

Project Start-up

Identify potential partners; set-up project systems and establish an internal core team of key performers.

Project Supervision

Monitor and guide project implementation to maximize impact, maintain transparency and fully meet funding requirements.

LEADERSHIP TRANSITION

Interim Leader

Sustain a high level of operations during organization restructure or leadership transition.

Mentor/Coach/Advisor

Provide guidance to new or less experienced directors and empower them to confidently and efficiently lead the team and manage a high functioning organization.

Turnaround

Assess, validate, recommend and execute the appropriate remediation plan

GRANT IMPLEMENTATION & COMPLIANCE

Establishment

Manage compliance requirements and set-up procedures including systems for monitoring & knowledge management.

Administration

Monitor compliance & delivery, risk-assessment analysis, problem resolution & ensure professional funder communications & reporting.

Remediation

Identify gaps in delivery and compliance, propose solutions, support implementation, incorporate lessons identified into systems and procedures.

Closure

Audit compliance and address gaps, if any; ensure full documentation and complete final reporting

Let's start a conversation about how I can help you turn your biggest problem into your best solution!
